3. Profile of skills and competences (**)

On completion of the education/training pathway, the holder of the certificate is able to:

Skills common to all *licei*:

- master the Italian language and local language in various communication fields, using different styles suited to different situations;
- communicate in a foreign language (other than Italian and local language) to at least level B2 (CEFR);
- produce different types of written and oral texts with respect to the activity carried out;
- identify problems and argue his/her own position, by critically assessing different viewpoints and putting forward potential solutions;
- demonstrate a good knowledge of the key aspects of the Italian and European literary, artistic, philosophical, religious, local culture and tradition, and be able to compare them with other traditions and cultures;
- act in accordance with the rights and responsibilities of a citizen, being aware of the cultural aspects and nature of local and both Italian and European political, legal, social and economic institutions;
- master the specific language and procedures of mathematics, physical and natural sciences;
- critically use ICT tools to carry out study and in-depth analysis activities, and for research and communication purposes;
- work in professional and interpersonal contexts, collaborating in work groups in a critical and proactive manner.

Skills of the *Foreign Languages* specialization:

- have language proficiency of at least level B1 (CEFR) in the second and third foreign languages;
- use language proficiency in the three modern languages studied in study activities and various social contexts and professional fields;
- present different types of texts suited to the job tasks in the three modern languages studied;
- master the three language systems and easily switch from one language to another, using specific forms of each language;
- demonstrate a thorough knowledge of the cultural aspects of the countries where the three modern languages learnt are spoken, namely the literary, artistic, music, cinematographic works, as well as traditions and history milestones;
- effectively interact with persons and people of a different culture on the occasion of international exchange and contact situations;
- effectively use intercultural communication skills, also to enhance the historic, artistic and landscape heritage of a territory.
